

Inland Marine

Appetite Guide

For Our Partners

As one of the new AXIS Specialty product offerings in North America, we are excited to launch a broad range of Inland Marine solutions for our strategic partners.

Our risk appetite encompasses the Construction, Transportation and Specialty industries and will focus on multi-product solutions with a team of four underwriters dedicated to excellent customer service and providing superior response times.

Innovative and creative solutions to complex challenges

New AXIS product offering with experienced, knowledgeable underwriting team

Long-term commitment to clients and broker partners

Axis policy forms and endorsements – nationally recognized

Nurtured environment of collaboration, diversity and entrepreneurialism

Decisive and timely responses to ensure superior service standards and claims handling

This information is for descriptive purposes only and does not provide a complete summary of coverage. Consult the applicable policy for specific terms, conditions, limits, limitations and exclusions to coverage. Coverage is underwritten by a member company of the AXIS group of insurance companies. Coverage may not be available in all states and jurisdictions. Certain products may be offered by AXIS companies that are not licensed in the state and therefore are available only through a licensed surplus lines broker.
